Dear Ms Hewitt

REQUEST FOR SUSPENSION

Tiger Resources Limited ("the Company") refers to the trading halt put in place on Monday 17 October 2016 and now seeks a suspension to the quotation of its securities. The Company is still in the process of finalising the impacts of a seepage of process solution from the ILS (Intermediate Leach Solution) pond which was detected and contained at the Kipoi mine on Saturday 15 October. The ILS pond forms part of the overall Heap Leach circuit at the Kipoi Copper Project.

It is expected that the suspension will end upon the release of an announcement providing details of the incident and its impacts on production and costs. The Company anticipates being in a position to make an announcement before commencement of trading on Monday, 24 October 2016.

The Company is not aware of any reason why its securities should not be suspended.

Yours sincerely

Susmit Shah
Company Secretary
